BOOK REVIEW

Liar and Spy by Rebecca Stead

Reviewed by Oliver Scholfield

This book is about a boy, Georges, and his mum and dad who have just moved into an apartment, when something unexpected happens...Georges meets a boy called Safer who introduces him to his Spy Club. Safer gets Georges to do all sorts of things, but not everything is as it seems and their friendship is put to the test.

I really enjoyed reading this book because you never know what will happen next.
This book is targeted at 9-13 year olds and I would rate it 9 out of 10!

Head Teacher Message

Dear Parents and Carers,

This week we have been gathering the views of our children about school. We asked them questions such as whether they liked school, what they enjoyed, what they found difficult and how they would like the school improved (amongst many others). It's easy to forget that children are on the receiving end of decisions we make and that they might have an entirely different view of the world we create for them. Our intention is to share these opinions with the whole staff in order to capture a child's eye view of Southway. Pleasingly they were all positive. I would like to share some of my favourites with you.

Do you enjoy being at school? Why is that?

'Yes I do because I feel safe and cared for. I feel I can play with my friends and learn well.' Y6

'Yes because my education is important...I can have long games with my friends at break. Also the lessons are always interactive and enjoyable.' Y6

'Yes because I want to be smart.' Y3

'Yes because I love school. School is one of my favourite places to be.' Y4

Which subjects do you like best in school and why?

'I like 'big write' because I can put all my ideas in it and make it my best.' Y4

'Maths because it boosts my brain a lot and it helps me to think quicker.' Y4

'I like art because I express my creative side.' Y5

'I like maths because it's very challenging and I love challenges.' Y5

Is there anything more you would like to say about school?

'No, that's fine!' Y5

'It's the best thing that ever happened and could have happened to me.' Y5

'It's the best school in West Sussex.' Y6

'I like pond dipping!' Y3

'I would like school to start later.' Y4

'It is brilliant, my favourite school ever.' Y4

'No, sorry.' Y6

As you can imagine I have enjoyed reading everyone's responses. They have made me chuckle, made me proud and made me think. Working with children is never boring!

"We cannot always build the future for our youth, but we can build our youth for the future." — Franklin D. Roosevelt,

Have a good weekend

Best wishes

Ten children competed in the Years 3 and 4 Mid Sussex Primary Schools Cross Country at Harlands yesterday. Each and every one of them ran extremely well. Special mention should go to Leah McInerney-Morris who led from the start and won the girl's race in spectacular style. She was well supported by the other girls - Caitlin Bell, Ruby King and Robyn Preece. In the boys race, first home from the Southway team was Jonathan Beckett, closely followed by Billy McInerney-Morris, Aaron Smart, Sam Dean, Thomas Crouch and Freddy Searle.
