LEARNING AND ACHIEVING TOGETHER

# REWSLETTER

## **Headteacher Message**

Dear Parents and Carers,

As I mentioned in last week's newsletter, Southway hosted the teaching staff of a nearby school with the purpose of looking at our teaching practice. The morning was a huge success and the visiting teachers left telling me they had been 'inspired' by what they had seen. Of course this does not come as a big surprise to me. I appreciate how creative, talented and hardworking Southway staff are. But I did ask myself the question, 'How did we come to the point where excellent teaching is now just the norm here?' This reminded me of an analogy I had heard at a conference I attended many years ago called 'boiling the frog'. It sounds gruesome but goes some way to answering my question. If you put a frog in a pot of boiling water it will simply jump out with the shock. But if you put the frog in a pot of cold water and slowly boil the water it will not notice until it's too late. Now I am not recommending that we try this! However, at Southway we have gradually but persistently raised the standards over the last two years, such that excellence is now the norm and it usually takes visitors to remind us of just how good we are. We can all too easily take it for granted. Next week we have the senior staff from a West Sussex junior school visiting, again with the purpose of looking at why we have been successful. Onwards and upwards.

'Without continual growth and progress, such words as improvement, achievement, and success have no meaning.'

# 'INKPOTS' IN THE MIDDY

Full piece available http://www.midsussextimes.co.uk/news/local/mid-sussex-editor-proves-writing-is-for-all-ages-1-7144490

'Started on 1 January 2013 by Gill Pawley the Ink Pots workshops are aimed at children and young people who enjoy writing stories, drawing and reading all kinds of books.

They run after school clubs at various local schools including Southway Junior School.

Gill has over 30 years' experience of working as a publications editor. She started Inkpots as a new challenge after her own children had grown up and left home.

On her website she says: "I have worked with words for many years and I believe passionately that everyone has a story in them that is waiting, ready to burst out. I love talking books and telling tales - and meeting those who feel the same is an absolute joy.'

Madeleine Wright was awarded a certificate for her exam in Tap Dance. She had to perform a parody, shuffle and hopscotch steps. Very well done!

## **Out of School Achievements**

One of our Year 6 star runners, **Lyla Lawrence**, was entered into a Cross Country competition recently and on coming in the top group went through to the next round: Lyla writes:

"When I got to East Grinstead college my heart was pounding. I could see that the track was on a hill and it looked exhausting! I was hoping that I would do well. As I walked over to the start I was looking at my competition, they all looked like they would be hard to beat. When the lady blew her whistle we set off; I was determined to come under 15th place. I always stayed on the inside because it gets you round quicker. After I had gone through the finish line I was directed to where I had to go. We got told where we came and I came 14th out of 75 people! I was thrilled that I got to the next round.

Very well done Lyla, you are representing Southway beautifully, we are proud of your achievements so far....watch this space for the next round!
