Headteacher Message

Dear parents and carers,

Due to the hard work and dedication of Mrs Davies, Mr Kirby and Mrs O'Mally-Richardson, we have now got a fully operational market garden! They have spent many hours (including giving up time during their weekends) clearing up, preparing the beds, weeding and planting in readiness for our Green Fingers Club to take over. As you can see our very own Southway produce is flourishing under the care of the children. I was presented with a bunch of lettuce and some carrots which were delicious. In the future we intend to sell our produce at school events and perhaps even approach local shops to stock any chutneys and jams that we make. This is yet another example of us giving our children the opportunity to learn outside the classroom and prepare them for later life.
