Headteacher Message

"Are you willing to stoop down and consider the needs and desires of little children; to remember the weaknesses and loneliness of people who are growing old; to stop asking how much your friends love you, and to ask yourself if you love them enough; to bear in mind the things that other people have to bear on their hearts; to trim your lamp so that it will give more light and less smoke, and to carry it in front so that your shadow will fall behind you; to make a grave for your ugly thoughts and a garden for your kindly feelings, with the gate open? Are you willing to do these things for a day? Then you are ready to keep Christmas!"

Henry Van Dyke (American Presbyterian clergyman, educator, and author)

NEW PUBLIC ART TRAIL

Burgess Hill Town Council, in conjunction with Mid Sussex District Council, Burgess Hill Local History Society and the Friends of Burgess Hill Green Circle Network, is creating a new art trail to enhance public enjoyment of the Green Circle Network, a series of footpaths, cycle tracks and bridleways linking green spaces around the town.

The exciting project will see five original pieces of art work commissioned to celebrate the history and growth of Burgess Hill, by recognising some of its noteworthy inhabitants and their achievements and enhance the Green Circle.

Members of the public will have an opportunity to meet the artists, see their designs and give feedback at a Public Exhibition being held on **Saturday 7 January 2017**, from 10am – 4pm at Market Place Shopping Centre in Burgess Hill.

The project is being funded by developer contributions and it is anticipated the artwork will be installed in autumn 2017.

Councillor Pru Moore, Deputy Leader of Burgess Hill Town Council and Chairman of the Green Circle Public Art Steering Group said: "This is a really exciting project and a rare opportunity this town has to develop art through sculpture. Public engagement will be key to this project and it will also create an opportunity for schools to engage with the artists and hopefully be inspired by their creativity and skill. It will enhance the enjoyment of the public who walk our beautiful green spaces and public areas. I would like to thank Fred Avery, Heritage Centre Curator and member of Burgess Hill Local History Society and Dominic Moore, Chairman of the Friends of the Green Circle Network for their knowledge and enthusiasm for the project."

For information about the Burgess Hill Green Circle Public Art Project and the artists visit the Town Council's website www.burgesshill.gov.uk/Burgesshillgreencirclepublicartscheme.
