LEARNING AND ACHIEVING TOGETHER

NEWSLETTER

Headteacher Message

Dear parents and carers

This week we have been participating in the annual, nationwide initiative 'Walk to School Week'. The purpose has been to encourage children and their families to leave their cars at home, where practical, and walk to school. We are all aware of the many benefits this has and I would like to express my thanks to all of those families and children that participated with such enthusiasm. I would also like to thank the many parents that have organised token collections along Southway and given up their time to actively support such a worthy enterprise. Our children have really enjoyed taking part and I look forward to announcing the winning House in Monday's assembly.

We have organised a treat for the winners which I know the children will enjoy. Given the success of the week we are now considering having a Walk to School Week once per term to ensure that this week does not end up feeling like tokenism. If you would like to help out next time just contact the school office; we would be delighted to hear from you.

'If you're walking down the right path and you're willing to keep walking, eventually you'll make progress'. Barack Obama

Have a good weekend

Mr P Newbold
