Learning and Achieving Together

Dear families

As we draw a close to another half term I would like to share the latest pupil questionnaire results with you. All children were given the opportunity to answer independently and with no input from staff, in order to ensure fairness and an honest response from children. Where individual children expressed any concerns, these were addressed by teachers.

Question	Please tick one box for each question	Yes	No	I don't know
1	I enjoy school	91%	3%	6%
2	My school provides lots of opportunities for me to be active & healthy	94%	2%	4%
3	If I take a problem to an adult it is dealt with	88%	2%	9%
4	Most of the time behaviour is good in my class	77%	4%	18%
5	I learn a lot in lessons	92%	2%	7%
6	Adults listen to me	94%	6%	1%
7	I am given regular feedback in class to help me make progress with my learning	84%	4%	12%
8	The headteacher and teachers in my school do a good job	94%	0%	6%

Over **330** children took part in the survey. As you can see, the results were overwhelmingly positive.

Have a lovely half term break

Warmest wishes

Mr P Newbold
