# **SOUTHWAY JUNIOR SCHOOL**

LEARNING AND ACHIEVING TOGETHER

# **NEWSLETTER**

Dear Families

A very warm welcome back to school following our Easter break. I hope you had a relaxing time and got the opportunity to spend valuable family time together. The children have come back looking smart and keen to get on with their new learning journeys which is so typical of them. On Monday afternoon I hosted an AIIB (Area Improvement and Inclusion Board) meeting at Southway, whose purpose is to identify and provide support for any schools in West Sussex Local Authority control that might need it. I was joined by three experienced Headteachers and following the conclusion of the meeting I offered to show them around the school. They jumped at the chance and off we went. We visited every classroom unannounced and spoke to children about what they were learning and observed a variety of lessons. Our visitors were struck by the sheer positivity and enthusiasm of the staff they met and the children's attitudes towards their learning. We did not identify a single instance of a child off task or disengaged, bearing in mind this was a Monday afternoon! None of this is news to me. It simply reinforced the view that we have a brilliant teaching team and receptive and responsible children who love the learning opportunities provided. I felt proud and privileged to be the Headteacher of Southway.
