Learning and Achieving Together

Dear families

We wish you all a very Merry Christmas and hope you get to spend quality time with your family and loved ones. I will leave with these wonderful words...

“Are you willing to stoop down and consider the needs and desires of little children; to remember the weaknesses and loneliness of people who are growing old; to stop asking how much your friends love you, and to ask yourself if you love them enough; to bear in mind the things that other people have to bear on their hearts; to trim your lamp so that it will give more light and less smoke, and to carry it in front so that your shadow will fall behind you; to make a grave for your ugly thoughts and a garden for your kindly feelings, with the gate open? Are you willing to do these things for a day? Then you are ready to keep Christmas!”

Henry Van Dyke

Warm wishes

Mr P Newbold
