

We' 11 Meet Again

Year 5
Spring Term

This term we will be learning all about **World War II**. The children will be immersed in many hands-on experiences, taking them back to life during the war.

English: We will be reading World War 2 novels and writing non-fiction, poetry and fiction for a range of audiences and purposes.

Art and D.T.: In art, we will be learning about architecture and creating our own buildings based on the principles learnt. In D.T. we will be cooking with rationed supplies and experiencing what people ate in war time Britain.

Humanities: In history, we will be finding out why Britain went to war and which countries

were involved, exploring the impact of war on children's lives and celebrating VE day.

In Geography, we will investigate European countries and capital cities and comparing regions.

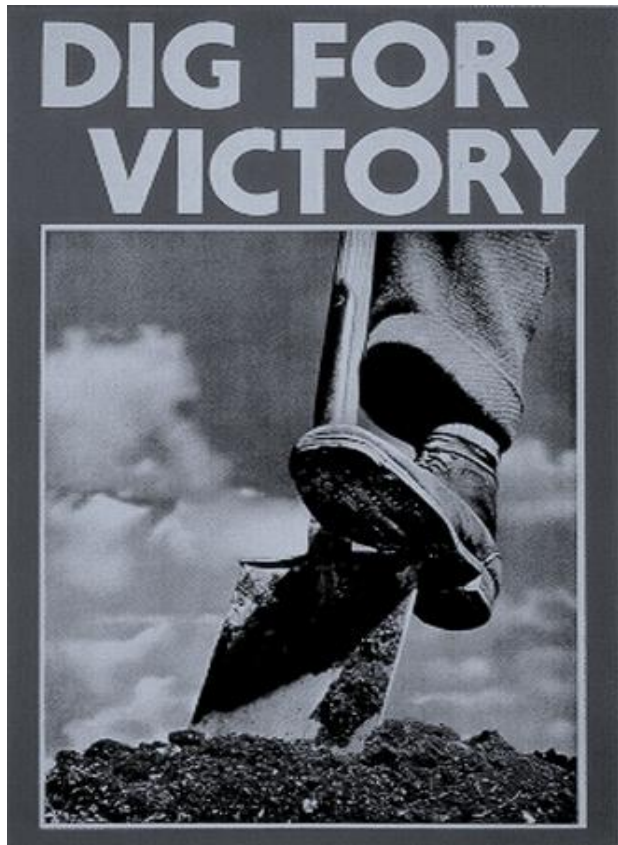

What will we be learning in each subject?

Maths: We will continue to cover the Y5 maths curriculum, including multiplication, division, fractions, area, perimeter and statistics.

Science: In science we will learn about the properties of materials.

ICT: We will be Learning to create Media using Google Drawings and investigate Databases.

RE: We will be learning about Judaism.

MFL: We will be looking at verbs in French.

PE and Games: We will be developing skills in gymnastics, orienteering and netball, and learning to dance the Charleston.

RSHE: We will discuss inclusion, acceptance, peer pressure and Internet Safety.

This term at school we are going
to enrich the learning with...
