STF membership is the benchmark for good educational visit providers; consequently it is an Awarding Body for the prestigious Learning Outside the Classroom Quality Badge. We were one of the first UK educational travel companies to have been awarded the LOC Council's Quality Badge - your guarantee that we offer high quality teaching and learning experiences, and manage safety on school visits effectively.
The Outdoor Education Advisors Panel (OEAP) endorses the Quality Badge and requests Local Authorities to recommend the use of badge providers and require the minimum of additional paperwork where Quality Badge accreditation is in place. This means that you can book your next school visit with confidence, meet your due diligence and reduce the amount of External Provider paperwork necessary.
